

Statement from David B. Stevens  
Lexington-Fayette Urban County Council  
5<sup>th</sup> District

On December 31, 2008, I will have completed 15 years of continuous service on the Lexington-Fayette Urban County Council. I have enjoyed these years, and in my judgment my fellow elected officials are dedicated servants and will continue to provide Lexington with a responsible, representative government. I have found the employees of our government to be dedicated public servants. My thanks to them for everything they have done for me personally and for their services to you, the public.

Words cannot express my gratitude to the citizens of Lexington for the honor they have provided by electing me to the Lexington Fayette Urban County Council. For personal reasons and because of a slight case of civic fatigue, I have decided not to stand for reelection in 2008. It has been a pleasure to represent the 5<sup>th</sup> district and though I will no longer be able to vote as a councilmember, I hope to continue to be involved in various activities in our special town. I look forward to the busy next year as I complete my term.

With a sense of sadness, yours truly,

David B. Stevens
